## Spiffy Spa Night

by Mary Miller

Rhonda Sargent Chambers is quite the fashion diva about town so when she talks fashion, people listen. The WFAA segment expert recently joined with beauty expert Dr. Raul P. Rodriguez at his Rejuvenex Cosmetic Spa on Park Lane to cohost a fun cocktail spa social. Rhonda rounded up a slew of fashion experts including "Eyelash Guru" Ja'Maal Buster, makeup artist Penny Sadler, couturier Terri Ives and candle maker Robben Wansley to show their wares and give bits of advice to a hip crowd of clients and friends. Raul sent them all home with plenty of samples to put their beauty tips to the test.
